About Us

The main source of inspiration behind the establishment of the Swa. Gulab Bai Yadav Smriti Trust, Borawan, is the dynamic personality of its principal trustee, the late honorable Shri Subhash Yadav, former Deputy Chief Minister of the M.P. Government. He made significant contributions in the fields of Agriculture, Horticulture, the Co-operative Movement, Panchayati Raj, Education, and various social welfare activities. He also played a vital role in promoting qualitative educational development. He believed that if we wish to bring precious talents out of the dark caves of obscurity and ensure that beautiful flowers do not waste their fragrance in the desert, an efficient Educational Training College is essential, which would be an instrument for nurturing potential, guiding youth, and shaping a brighter future for society.

Our Mission

Our mission is to build foundation for theoretical and practical knowledge. It aims to organize training programs for capacity building and professional development of student-teachers for elementary, secondary and senior secondary schools. It aims to provide extension services to schools/teachers/teacher education institutes. Mission is to collaborate with professional and apex bodies. As well as inculcate 21st century skills along with aesthetic sensibilities; positive and healthy attitudes towards teaching profession. It also aims to conduct advanced level fundamental, applied, experimental and action research in teacher education. Mission is to develop among student-teachers an understanding for various psychological tenets, theories and practices along with educational needs of special groups of pupil and to acquaint teachers with diverse educational systems and classroom situations. It aims to inspire students for higher and independent study for promotion of various library and laboratory skills.

Founder Message

“Education is not merely a means to earn a livelihood — it is the foundation upon which the character and destiny of a nation are built.”

With this belief, the Swa. Gulab Bai Yadav Smriti Trust was established to promote the cause of quality education and holistic human development. I have always believed that the strength of our country lies in the hands of enlightened, responsible, and skilled youth. To shape such individuals, we must create institutions that not only impart knowledge but also nurture values, discipline, and a spirit of service.

The establishment of Swa. Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan is a step toward realizing this vision. This college stands as a beacon of learning, dedicated to preparing competent,

**Late Honorable
Shri Subhash Yadav**

(Ex-Deputy Chief Minister, Government of
Madhya Pradesh Founder, Swa. Gulab Bai
Yadav Smriti Trust, Borawan (MP))

SH. ARUN JI YADAV

Chairman Message

Our qualified and dedicated faculties are not only transmitting the quantum of knowledge but also creating dynamic personalities. They are constantly endeavoring to shape the budding talents and enhance their potential in various aspects of human personality so that they value the norms of society and contribute immensely to the life of the global community.

Principal Message

Prof. Dr. Nilesh Kumar Patel

It is my great privilege to welcome you to Swa. Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan, an institution dedicated to academic excellence, character building, and holistic development.

Our college was founded with the noble vision of Late Honorable Shri Subhash Yadav, whose dream was to create an institution that nurtures educators who are not only knowledgeable but also compassionate, disciplined, and socially responsible. Guided by the values of the Gulab Bai Yadav Smriti Trust, we strive to uphold his vision by providing a vibrant learning environment that encourages innovation, integrity, and inclusiveness.

At our Mahavidyalaya, we focus on shaping future teachers who can inspire young minds and contribute meaningfully to nation-building. Through a combination of modern pedagogy, dedicated faculty, and value-based education, we aim to prepare our students to meet the challenges of a dynamic world with confidence and commitment.

I invite all students to make the most of the opportunities available here — to learn, grow, and become the torchbearers of knowledge and social change. Together, let us continue the legacy of excellence and make a positive difference in the field of education.

“Education is the light that dispels the darkness of ignorance — may this light guide us all toward wisdom and progress.”

Choose your Course

Bachelor of Arts in Psychology [B. A. (Psychology)]

A 3-year undergraduate degree focused on the scientific study of the human mind and behaviour. The scope is broad, with career opportunities in human resources, counseling, marketing, and education, and the degree can serve as a foundation for further studies in specialized areas like clinical or industrial psychology. The B. A. (Psychology) students can pursue PG degrees, B. Ed. or Ph. D.

Bachelor of Education (B.Ed)

A 2-year undergraduate degree divided into 4 semesters. This course prepares students for a career in education through a curriculum focused on pedagogical skills and subject knowledge. The scope is broad, encompassing roles like primary, secondary, and higher secondary school teacher, special education teacher, and educational administrator. Beyond traditional teaching, B.Ed. graduates can work as curriculum developers, educational consultants, content writers, or pursue further studies like Master of Education (M.Ed.) or Ph. D. to advance into academic research, higher-level teaching, or policy-making roles.

Master of Education (M.Ed)

A 2-year postgraduate degree divided into 4 semesters. It is aimed at preparing professional educators, principals, curriculum developers, education consultants, and academic researchers. It is focused on advanced educational theory and practice, with a wide scope for career growth in various educational and administrative roles. The scope extends to both public and private sectors, including schools, teacher training colleges, universities, government bodies, and EdTech companies. The M. Ed. postgraduate students can pursue further studies like M. Phil., Ph. D.

Doctor of Philosophy in Education [Ph.D. in Education]

A Ph.D. in Education is the highest academic degree in the field. It is research-intensive and designed for individuals who wish to contribute new knowledge to education through original research. The program involves coursework, research methodology training, and a report of study undertaken in the form of Thesis. At present the research center for Ph. D. Course is under the process of Shifting of Affiliation from Devi Ahilya University Indore to Krantisurya Tantya Bhil University, Khargone.

Our Facilities

Infrastructure

Swa. Gulabbai Yadav Smriti Shiksha Mahavidyalaya is known for having one of the best infrastructures among the colleges in the state. The college boasts a well-developed campus set in a lush green environment, offering excellent facilities such as smart board classrooms, a library, computer lab, psychology lab, educational technology lab, language lab, multipurpose hall, and playground.

Hostels

The institution has three hostels. Separate hostels for boys and girls each with all modern facilities, for boarding and other recreational activities for multifaceted development of students. The Institute provides Wi-Fi facilities, water purifiers, reading room, recreation room, TV room, indoor and outdoor games with hygienic breakfast, lunch and dinner, 24x7 security guard and Electricity.

Library and Laboratories

Our college provides exceptional facilities that foster both intellectual development and personal well-being. The well-equipped library houses an extensive collection of books, journals, and digital resources to meet the academic and research requirements of students and faculty. State-of-the-art laboratories, including psychology, computer, and language labs, are furnished with advanced instruments and modern technology, offering hands-on learning experiences that strengthen practical understanding across diverse disciplines.

Spirituality and Peace

Our institution offers various facilities that nurture spirituality and inner peace among students. The Radha Krishna temple on campus stands as a serene sanctuary where students can meditate, pray, or simply spend a few moments in quiet reflection. In addition to this sacred space, the college often organizes spiritual talks, yoga sessions, and meditation programs that encourage mindfulness and emotional balance. These initiatives create a calming atmosphere that helps students stay centered, positive, and focused amid their academic journey.
